<https://www.usw.ca/events/ohc-sept25/>

We are well aware of the effect of climate catastrophes on seniors.

## **Tuesday, September 26**

### **Lobby Breakfast at Queen's Park, 7:30 – 9:00 am**

Coordinated by CCL, OCEC, OCAA and ClimateFast, this day of lobbying will address Ontario's energy future with a specific focus on fighting the planned expansion of gas plants in Ontario. *Please contact [lyn@climatefast.ca](mailto:lyn@climatefast.ca) if you are able to attend. Include your name, your phone # and your riding.*

**\*On Monday, September 25, there is a training session regarding the breakfast.**

### **Climate Fast MPP Lobby Training Session**

**Friends House, 60 Lowther Avenue, Toronto, 7 - 9 pm**

Overnight billeting can be arranged for those from out of town.

One way to fight for a renewable energy future! Please join in our lobby day. This will involve sending an invitation to your MPP and attending the breakfast, or arranging another meeting time with your MPP. This day of lobbying will address Ontario's energy future with a specific focus on fighting the planned expansion of gas plants in Ontario. Lobbying can be very effective and the more ridings we represent that day, the better. One of our speakers will be Zoe Keary-Matzner, who is a litigant in the youth climate suit. [Register](#)

## **Wednesday, September 27**

SCAN! is supporting Grassy Narrows and the Land Alliance March for the Land in Toronto.

Five First Nations from Northern Ontario will lead the march calling on Premier Ford to end mining activity on their Territories in violation of their right to Free, Prior and Informed Consent (FPIC).

Location: Grange Park, Toronto (behind the AGO), 12 pm
