

They called an election
Said, "Vote for us"
Well, we say vote
With your elbows up

Vote for the country you want
Vote for the country you want
Vote for the country you want
Vote for the country you want

They want our water
Our gas and oil
When it comes to carbon
Keep it in the soil

Vote for the country you want
Vote for the country you want
Vote for the country you want
Vote for the country you want

Vote yes!
